Om Namō Narayanaya ❖————❖ Om Namah Shivaya

We are celebrating our Temple's 20th Anniversary, it is a wonderful opportunity to participate in any Temple Anniversary (Varshikotsavam's) because only in the varshikotsavam we do special homas and various Poojas to all the deities at a time. We perform Samvathsara prayaschittam Homas and Shanti Homam to regenerate the energy of the deities.

On the First day, of the event we do Bhoomi Pooja and collect the soil to plant the seeds (nine grains) we do ankurarpana in that we invite Sun and moon to help to grow the plants and we tie holy thread to everyone to get protection and blessings throughout the celebration.

On Second day, we invite all the Gods from Lord Ganesha to Navagrahas in to the Kalasha's and offer fruits, flowers and our prayers. we do invite all the Gods into the Havan kund and perform Vishesha Homas and we are doing Samoohika Rudrabhishekam.

Final day, we are going to do Maha purnahuti and will take all the Kalashas and parikrama to the whole temple and we will do Prokshana or Abhishekam to all the deities to regenerate the energy of the murthys, and finally will conclude the celebration with Srinavasa Kalyanam.

Om Shanti
